	Long maturation for this Gavi, that rests for one year in stainless steel tanks and one year in big oak, it is produced only in the best years with a selection of grapes.	On the nose has a beautiful riped fruit, followed by the typical freshness of this varietal. On the palate is splay and juicy.	A daily and gastronomic wine. The fruity scents are persuasive with a slight minerality, on the palate has an acidic vibration and harmonic finish.	●	●
